ensuite shower room views to the pool and valley. - Outside - The hillside vantage spot for this house allows it to benefit from spectacular far reaching views. For entertainment you have the heated pool, a Boules court, and table tennis. There are several dining and lounging areas taking in the view (our favourite is a bench on the rock overlooking the house and valley views). The 6 acre grounds range from planted gardens, grassy terraces, forest, meadows and even a pond. You will be rewarded for your patience in looking out for wildlife too with birds, deer and hares amongst the creatures visiting the grounds Pool: The 10m pool benefits from being heated and a delightful little cascade. The pool area is protected by a fence and has a rolling cover. There are sun loungers for all and a large shady poolside area is a haven for those not wishing to take too much sun. There is a gentle ramp for easy access to the pool area and anti-slip tiling surrounding the pool. Ref. : 717S76M - Mandat n°76
